Variable Investment Option Performance Update

MetLife Simple Solutions[SM] variable annuity

The performance data quoted represents past performance and does not guarantee future results. Performance current to the most recent month-end may be viewed at www.metlife.com. The investment return and principal value of an investment will fluctuate and an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than the performance data quoted. For Sub-Accounts that invest in Portfolios of the underlying Trust that were in existence prior to the Sub-Account inception date, these returns have been adjusted to reflect the charges and expenses of the MetLife Simple Solutions variable annuity, as if the contract had existed during the stated period(s), including all Portfolio-level expenses, the Mortality and Expense and Administration Charge of 1.00%, the annual Account Fee of $30† and the Lifetime Withdrawal Guarantee (Single Life Version) rider charge of 1.10% of the Total Guaranteed Withdrawal Amount. These results do not reflect the withdrawal charges which begin at 7% and decrease over 6 years (for returns reflecting these charges, see page 3).

These figures represent past performance and are not an indication of future performance. Current performance may be lower or higher than the performance figures quoted.

MetLife Simple Solutions

Non-Standardized Performance: Without surrender charges applied as of 02/28/2014

Variable Funding Options	Portfolio Inception Date	One Month	Year-to-Date	1 Year	3 Year*	5 Year*	10 Year or Since Portfolio Inception*

Index Selector® Models**

Defensive	N/A	1.85%	1.06%	5.83%
Moderate	N/A	2.58%	1.15%	9.29%
Balanced	N/A	3.27%	1.14%	12.88%

†Pro-rated based on an average contract size; not applicable for contracts with account values greater than $50,000.

+ Closed to new money except for clients who purchased the contract/policy prior to a certain date.

*Annualized for Investment Options/Portfolios in existence for more than one year.

**Index Selector Model returns are shown based on the weighted average return of each fund in the model with no rebalancing. Due to rebalancing your actual return will be higher or lower than the return shown. You can not invest directly in an Index Selector Model, your investment is in the underlying portfolios. See your prospectus for details.

An investment in the BlackRock Money Market Portfolio is not insured or guaranteed by the Federal Deposit Insurance Company or any other government agency. Although the Portfolio seeks to preserve the value of your investment at $100 per share, it is possible to lose money by investing in the Portfolio.

Current performance may be lower or higher than the performance quoted.

This is past performance and is no guarantee of future results.

Prior to April 29, 2013, the Barclays Aggregate Bond Index Portfolio was known as Barclays Capital Aggregate Bond Index Portfolio.

Investment Performance Is Not Guaranteed.

Additional prospectuses for the MetLife Simple Solutions variable annuity and the investment portfolios are available from www.metlife.com, or from your financial professional. The contract prospectus contains information about the contract's features, risks, charges and expenses. Investors should consider the investment objectives, risks, charges and expenses of the investment company carefully before investing. The investment objectives, risks and policies of the investment options, as well as other information about the investment options, are described in their respective prospectuses. Please read the prospectuses and consider this information carefully before investing. Product availability and features may vary by state. Please refer to the contract prospectus for more complete details regarding the living and death benefits.

Variable annuities are long-term investments designed for retirement purposes. The MetLife Simple Solutions variable annuity has limitations, exclusions, charges, termination provisions and terms for keeping it in force. There is no guarantee that any of the variable investment options in this product will meet their stated goals or objectives. The account value is subject to market fluctuations and investment risk so that, when withdrawn, it may be worth more or less than its original value. All product guarantees, including optional benefits, are based on the claims-paying ability and financial strength of the issuing insurance company. Please contact your financial professional for complete details.

Withdrawals of taxable amounts are subject to ordinary income tax and if made before age 59½, may be subject to a 10% Federal income tax penalty. Withdrawals will reduce the living and death benefits and account value. Withdrawals may be subject to withdrawal charges.

Pursuant to IRS Circular 230, MetLife is providing you with the following notification: The information contained in this document is not intended to (and cannot) be used by anyone to avoid IRS penalties. This document supports the promotion and marketing of insurance products. You should seek advice based on your particular circumstances from an independent tax advisor.

MetLife, its agents, and representatives may not give legal or tax advice. Any discussion of taxes herein or related to this document is for general information purposes only and does not purport to be complete or cover every situation. Tax law is subject to interpretation and legislative change. Tax results and the appropriateness of any product for any specific taxpayer may vary depending on the facts and circumstances. You should consult with and rely on your own independent legal and tax advisors regarding your particular set of facts and circumstances.

MetLife Simple Solutions variable annuity is issued by MetLife Investors USA Insurance Company (MetLife Investors) on Policy Form Series 8010 (11/00) and are distributed by MetLife Investors Distribution Company.

The performance data quoted represents past performance and does not guarantee future results. Performance current to the most recent month-end may be viewed at www.metlife.com. The performance data quoted represents past performance and does not guarantee future results. The investment return and principal value of an investment will fluctuate and an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than the performance data quoted. Each Investment Option consists of a sub-account of the separate account supporting the contract (a "Sub-Account") that invests solely in shares of a fund portfolio (a "Portfolio"). Standardized Performance for an Investment Option, as defined by the SEC, is the Average Annual Total Return for periods commencing no earlier than the Sub-Account inception date and terminating at the end of the most recent calendar quarter. Average Annual Total Returns shown that include periods prior to the Sub-Account inception date are *Non-Standardized Performance.* Charges for Standardized Performance include all Portfolio-level expenses, the Mortality and Expense and Administration Charge of 1.00%, the Lifetime Withdrawal Guarantee (Single Life version) rider charge of 1.10% of the Total Guaranteed Withdrawal Amount, the maximum applicable withdrawal charge of 7% and the annual Account Fee of $30†.

Past performance does not guarantee future results.
