Electronic payment bank information

- "Bank" means any financial institution that allows you to write checks.
- The name of the policyholder you provide must match the Bank Account Owner, or your bank may not honor our withdrawal request.
- If the date you selected falls on a holiday or non-business day, your bank will determine the actual payment date.
- If your account does not have enough money, your bank may charge you for insufficient funds when we try to withdraw your payment. We will try to withdraw the money up to three times. If we are unsuccessful, we will notify you by mail of the missed payment and you may risk cancellation of this payment plan.
- If you cancel your policy before the current month's payment date, we will notify you by mail of any balance due.
- We will notify you in advance by mail, if your payment increases by more than \$1.
- We will notify you either in your policy package or by mail at least 10 days prior to us withdrawing the first payment from your bank account.
