The performance data quoted represents past performance and does not guarantee future results. Current performance may be lower or higher than the performance data quoted. Performance current to the most recent month-end may be viewed at www.metlife.com. The account balance is subject to market fluctuations and investment risk so that, when withdrawn, it may be worth more or less than its original value. For Investment Divisions that invest in Portfolios of the underlying Trust that were in existence prior to the Investment Division inception date, these returns have been adjusted to reflect the charges and expenses of the Enhanced Preference Plus Account Variable Annuity, as if the contract had existed during the stated period(s), including all Portfolio-level expenses and the Separate Account Charge of 0.95%. The Enhanced Preference Plus Account product does not impose any withdrawal charges on withdrawals. These figures represent past performance and are not an indication of future performance.

A MetLife investment option may have a name and/or investment objective similar to that of another mutual fund with the same manager. Despite any similarity, the MetLife option is separate and distinct and will not have the same performance. Different performance will result from different investment policies, cash flows, fees, expenses and fund asset sizes.
Prior to May 24, 2019, the Invesco Global Equity Portfolio was known as the Oppenheimer Global Equity Portfolio. Effective April 28, 2009, the BlackRock Large Cap Portfolio of the Metropolitan Series Fund, Inc. merged into the BlackRock Large Cap Core Portfolio (currently known as MetWellington Large Cap Research Portfolio) of the Met Investors Series Trust. Values prior to April 28, 2009 reflect the performance of the BlackRock Large Cap Portfolio (formerly the BlackRock Investment Trust Portfolio).

Effective April 28, 2008, the MFS® Value Portfolio of the Met Investors Series Trust (MIST) merged with and into the MFS® Value Portfolio of the Metropolitan Series Fund (MSF). Values prior to April 28, 2008 reflect the performance of the MFS® Value Portfolio (formerly Harris Oakmark Large Cap Value Portfolio) since its inception on November 9, 1998. (Note that because the MIST MFS® Value Portfolio is deemed to be the “accounting” survivor of the merger, the performance history set forth in the Portfolio’s April 28, 2008 prospectus is that of the MIST MFS® Value Portfolio.)

Effective March 6, 2017, Brighthouse Funds Trust I was known as Met Investors Series Trust and Brighthouse Funds Trust II was known as Metropolitan Series Fund.

Prior to March 6, 2017, Brighthouse Funds Trust I was known as Met Investors Series Trust and Brighthouse Funds Trust II was known as Metropolitan Series Fund.

Prior to the open of business on April 29, 2013, the Oppenheimer Global Equity Portfolio of the Metropolitan Series Fund (MSF) merged with and into the Met/Templeton Growth Portfolio of Met Investors Series Trust (MIST) and the Met/Templeton Growth Portfolio was renamed the MIST Oppenheimer Global Equity Portfolio. Values prior to April 29, 2013 reflect the performance of the Oppenheimer Global Equity Portfolio of the Metropolitan Series Fund.

Effective April 30, 2010, the Lord Abbett Mid Cap Value Portfolio of the Metropolitan Series Fund merged into the Lord Abbett Mid Cap Value Portfolio (currently known as Invesco Mid Cap Value Portfolio) of the Met Investors Series Trust. Values prior to April 30, 2010 reflect the performance of the Lord Abbett Mid Cap Value Portfolio (formerly Harris Oakmark Mid Cap Value Portfolio) since its inception on November 9, 1998. (Note that because the MIST Lord Abbett Mid Cap Value Portfolio is deemed to be the “accounting” survivor of the merger, the performance history set forth in the Portfolio’s April 28, 2008 prospectus is that of the MIST Lord Abbett Mid Cap Value Portfolio.)

Prior to the close of business on April 29, 2005, the Met/Putnam Voyager Portfolio was merged into the Jennison Growth Portfolio. The Met/Putnam Voyager Division is no longer available under this product. Performance for Jennison Growth consists of performance for the Met/Putnam Voyager Division before April 29, 2005 and performance of the Jennison Growth Division on and after April 29, 2005.

Prospectuses for the Enhanced Preference Plus Account variable annuity issued by Metropolitan Life Insurance Company and for the investment portfolios are available from your financial professional or at www.metlife.com. The contract prospectus contains information about the contract's features, risks, charges and expenses. The investment objectives, risks and policies of the investment options, as well as other information about the investment options, are described in their respective prospectuses. Investors should consider the investment objectives, risks, charges and expenses of the investment company carefully before investing. Please read the prospectuses and consider this information carefully before investing. Product availability and features may vary by state. Please refer to the contract prospectus for more complete details regarding the living and death benefits.

Withdrawals of taxable amounts are subject to ordinary income tax and if made before age 59 1/2, may be subject to a 10% Federal income tax penalty. Distributions of taxable amounts from a non-qualified annuity may also be subject to the 3.8% Unearned Income Medicare Contribution Tax on Net Investment Income if your modified adjusted gross income exceeds the applicable threshold amount. Withdrawals will reduce the death benefits and account value. Withdrawals may be subject to withdrawal charges.

Variable annuities are long-term investments designed for retirement purposes. Variable annuities have limitations, exclusions, charges, termination provisions and terms for keeping them in force. There is no guarantee that any of the variable investment options in this product will meet its stated goals or objectives. The account value is subject to market fluctuations and investment risk so that, when withdrawn, it may be worth more or less than its original value. All product guarantees, including optional benefits, are subject to the claims-paying ability and financial strength of the issuing insurance company. Please contact your financial professional for complete details.

Any discussion of taxes is for general informational purposes only, does not purport to be complete or cover every situation, and should not be construed as legal, tax or accounting advice. Clients should confer with their qualified legal, tax and accounting advisors as appropriate.

The performance data quoted represents past performance and does not guarantee future results. Current performance may be lower or higher than the performance data quoted. Performance current to the most recent month-end may be viewed at www.metlife.com. The account balance is subject to market fluctuations and investment risk so that, when withdrawn, it may be worth more or less than its original value. Each Investment Option consists of an investment division of the separate account supporting the contract (an "Investment Division") that invests solely in shares of a fund portfolio (a "Portfolio"). Standardized Performance for an Investment Option, as defined by the SEC, is the Average Annual Total Return for periods commencing no earlier than the Investment Division inception date and terminating at the end of the most recent calendar quarter. Average Annual Total Returns shown that include periods prior to the Investment Division inception date are Non-Standardized Performance. Charges for Standardized Performance include all Portfolio-level expenses and the Separate Account Charge of 0.95%. Past performance does not guarantee future results.
