Prospectuses for the underlying investment funds are available from MetLife. The prospectuses contain information about the investment objectives, risks, and policies of the underlying investment funds, as well as other information about the underlying funding choices. Please read the prospectuses and consider this information carefully before investing. Product availability and features may vary by state. All product guarantees are subject to the financial strength and claims-paying ability of the issuing insurance company.

The average annual total returns shown above represent past performance and are not an indication of future performance. Past performance does not guarantee future results. Current performance may be lower or higher than the performance information shown. The investment experience and cash value of a policy will fluctuate so that, at the time of a withdrawal or surrender, the cash value may be worth more or less than the amount of premiums paid.

Performance results current to the most recent month-end are available at www.mellife.com.

Equity Advantage Variable Universal Life (EAVUL) variable annuity is issued by Metropolitan Life Insurance Company, New York, NY 10166 on Policy Form Series 1E-46-06-NY-1.
