

Variable Investment Option Performance Update

Brighthouse Life Insurance Company of NY

The performance data quoted represents past performance and does not guarantee future results. Performance current to the most recent month-end may be viewed at www.BrighthouseFinancial.com. The investment return and principal value of an investment will fluctuate and an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than the performance data quoted. For Sub-Accounts that invest in Portfolios of the underlying Trust that were in existence prior to the Sub-Account inception date, these returns have been adjusted to reflect the charges and expenses of the Brighthouse Simple Solutions variable annuity, as if the contract had existed during the stated period(s), including all Portfolio-level expenses, the Mortality and Expense and Administration Charge of 1.00%, the annual Account Fee of \$30+ and the Lifetime Withdrawal Guarantee (Single Life Version) rider charge of 1.10% of the Total Guarantee Withdrawal Amount. These results do not reflect the withdrawal charges which begin at 7% and decrease over 6 years (for returns reflecting these charges, see page 3).

These figures represent past performance and are not an indication of future performance. Current performance may be lower or higher than the performance figures quoted.

**Non-Standardized Performance: Without surrender charges applied

Variable annuities are long-term investments designed for retirement purposes. Variable annuities have limitations, exclusions, charges, termination provisions and terms for keeping them in force. There is no guarantee that any of the variable investment options in this product will meet their stated goals or objectives. The account value is subject to market fluctuations and investment risk so that, when withdrawn, it may be worth more or less than its original value. All product guarantees, including optional benefits, are subject to the claims-paying ability and financial strength of the issuing insurance company. Please contact your financial professional for complete details.

Withdrawals of taxable amounts are subject to ordinary income tax and if made before age 59½, may be subject to a 10% Federal income tax penalty. Distributions of taxable amounts from a non-qualified annuity may also be subject to the 3.8% Unearned Income Medicare Contribution Tax on Net Investment Income if your modified adjusted gross income exceeds the applicable threshold amount. Withdrawals will reduce the living and death benefits and account value. Withdrawals may be subject to withdrawal charges.
