

www.safeguard.net

The SafeGuard interactive website will allow you to check eligibility, review and print plan documents and check on claims that have been submitted...all with a few clicks of the mouse. Once you've registered, the information is there for you, 24 hours a day. To register, fax a completed Website Registration Form to Provider Services at 949.425.4574. An initial logon and password will be emailed to the email address above; the password may be changed online through the SafeGuard interactive website.
