### Linking to an eForms form:

To create a link to an individual form on eForms to access from another website or application, simply find the form you are interested in on eForms, click the Description to open the Form Information window, and note the OID.

The screenshot shows the MetLife eForms interface. At the top, there is a search bar with 'Form Number' selected and 'debitauth' entered. Below the search bar, there are navigation tabs for 'Home', 'MyForms', and 'My Searches'. The main content area shows search results for 'DEBITAUTH-05'. A table lists the form details:
