

**Variable Investment Option Performance Update**

Brighthouse Life Insurance Company

**The performance data quoted represents past performance and does not guarantee future results. Current performance may be lower or higher than the performance figures quoted. Performance current to the most recent month-end may be viewed at [www.BrighthouseFinancial.com](http://www.BrighthouseFinancial.com).** The investment return and principal value of an investment will fluctuate and an investor's shares, when redeemed, may be worth more or less than their original cost. Returns for Sub-Accounts that invest in Portfolios that were in existence prior to the Sub-Account inception date have been adjusted to reflect the charges and expenses of the Foresight Variable Annuity, as if the contract had existed during the stated period(s), including all Portfolio-level expenses, the Mortality & Expense and Administration Charges of 1.40%. These results do not reflect the Administrative Fee. These results do not reflect the withdrawal charges which begin at 7% and decrease over 7 years (for returns reflecting these charges, see the Standardized report pages in this document that follows this Nonstandardized report). **These figures represent past performance and are not an indication of future performance.**

**Foresight**
**Non-Standardized Performance: Without surrender charges applied as of 01/31/2020**

A Brighthouse Financial investment option may have a name and/or investment objective similar to that of another mutual fund with the same manager. Despite any similarity, the Brighthouse option is separate and distinct and will not have the same performance. Different performance will result from different investment policies, cash flows, fees, expenses and fund asset sizes.

The performance shown may reflect, for some periods described, the management of previous investment managers. Please see the prospectus for more information.

A fee waiver or expense limit may be or have been in place for any of the investment options. The reduced expenses that may result from this waiver or limit may increase performance results. Please see the prospectus for more information.

<sup>1</sup> As of May 2, 2011, the following portfolio merger took effect: Invesco V.I. Basic Balanced Fund into Invesco Van Kampen V.I. Equity and Income Fund (now known as Invesco V.I. Equity and Income Fund). Values before May 2, 2011 reflect the performance of the Invesco V.I. Balanced Fund.

<sup>2</sup> Effective April 30, 2012, the Oppenheimer Capital Appreciation Portfolio merged into the Jennison Growth Portfolio. Values before April 30, 2012 reflect the performance of the Oppenheimer Capital Appreciation Portfolio.

<sup>3</sup> Effective on or about May 24, 2019, AIM Variable Insurance Funds (Invesco Variable Insurance Funds) replaced Oppenheimer Variable Accounts Funds as the subadvisor to the Invesco Oppenheimer V.I. Total Return Bond Fund which was previously known as the Oppenheimer Total Return Bond Fund/VA.

<sup>4</sup> Effective on or about May 24, 2019, AIM Variable Insurance Funds (Invesco Variable Insurance Funds) replaced Oppenheimer Variable Accounts Funds as the subadvisor to the Invesco Oppenheimer V.I. Government Money Fund which was previously known as the Oppenheimer Government Money Fund/VA.

**Variable annuities are long-term investments designed for retirement purposes. Variable annuities have limitations, exclusions, charges, termination provisions and terms for keeping them in force. There is no guarantee that any of the variable investment options in this product will meet its stated goals or objectives. The account value is subject to market fluctuations and investment risks so that, when withdrawn, it may be worth more or less than its original value. All product guarantees, including optional benefits, are subject to the claims-paying ability and financial strength of the issuing insurance company.**

**Withdrawals of taxable amounts are subject to ordinary income tax and if made before age 59½, may be subject to a 10% Federal income tax penalty. Distributions of taxable amounts from a non-qualified annuity may also be subject to the 3.8% Unearned Income Medicare Contribution Tax on Net Investment Income if your modified adjusted gross income exceeds the applicable threshold amount. Withdrawals will reduce the living and death benefits and account value. Withdrawals may be subject to withdrawal charges.**

The performance data quoted represents past performance and does not guarantee future results. Current performance may be lower or higher than the performance figures quoted. Performance current to the most recent month-end may be viewed at [www.BrighthouseFinancial.com](http://www.BrighthouseFinancial.com). The investment return and principal value of an investment will fluctuate and an investor's shares, when redeemed, may be worth more or less than their original cost. Each Investment Option consists of a sub-account of the separate account supporting the contract (a "Sub-Account") that invests solely in shares of a fund portfolio (a "Portfolio"). *Standardized Performance* for an Investment Option, as defined by the SEC, is the Average Annual Total Return for periods commencing no earlier than the Sub-Account inception date and terminating at the end of the most recent calendar quarter. Average Annual Total Returns shown that include periods prior to the Sub-Account inception date are *Non-Standardized Performance*. Charges for Standardized Performance include all Portfolio-level expenses, the Mortality & Expense and Administration Charges of 1.40%, the maximum applicable withdrawal charge of 7%. These results do not reflect the Administrative Fee. **Past performance does not guarantee future results.**
